

SERVICELL VAN BODY

Two industry-leaders, whose names are synonymous with premium quality, have joined to produce the **finest service van available**. The **new Servicell** combines the visual appeal and long life construction of **Unicell Body Company's** one-piece fiberglass hi-cube body with the versatility and function of **Knapheide Truck's** rugged utility body.

A **roomy interior** offers stand up height with lots of well-lit cargo and workspace. On the outside, practical and **secure storage compartments** for exterior access to tools and parts.

Available in 12' and 14' lengths and two body styles for **Ford's** dual rear wheel cutaway van. Custom lengths and options are available to suit.

The **Servicell** is built to **serve you well**.
